Michigan Technological University is an equal opportunity educational institution/equal opportunity employer. 00/08

GRADUATE DEGREES IN INDUSTRIAL HERITAGE AND ARCHAEOLOGY

Admission and Financial Assistance

Admission is selective. Most students receive support as teaching or research assistants. The doctoral program received initial assistance from the National Science Foundation to inaugurate this unique program of study and research. The University is committed to continuing this work with assistantships.

About Michigan Tech

Michigan Technological University is a leading public research university of international stature, conducting research, developing new technologies, and preparing students to create the future for a prosperous and sustainable world. Michigan Tech offers more than 120 undergraduate and graduate degree programs in engineering, forestry and environmental sciences, computer sciences, technology, business and economics, natural sciences, arts, humanities, and social sciences.
