

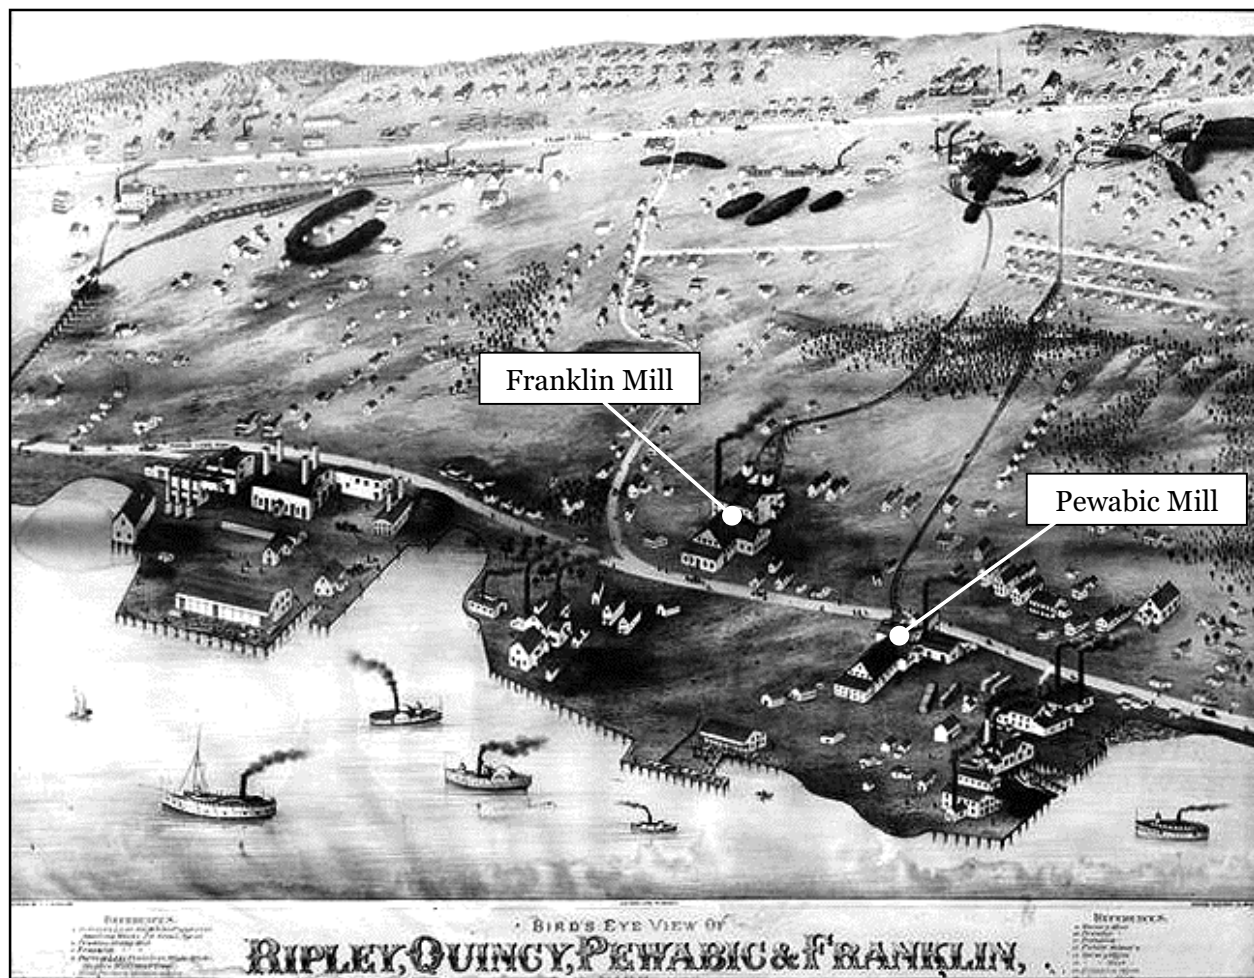

**MAP 1** : Map showing the locations of early twentieth century mills and smelters on the waterfront shipping lanes of the Keweenaw copper district. (Redrawn from same map drawn by Brian Arneson in "KeweenawCopper: Mines, Mills, Smelters and Communities" by Larry Lankton)

**MAP 3** : 1873 map showing the locations of the Franklin and Pewabic stamp mills located on the Portage Lake. (HAER / MI-2-4, Quincy Mining Company documentation project 1978, Library of Congress. Taken from the MTU Copper Country Archives)

# MAP **A** LOCATOR KEY

## **A. Landscape features**

1. Rail Grades & Trestles .....Features A, B, C / D, E, F
2. Slag Piles ..... Features G, H, I
3. Open Spaces..... Features J, K, L, M

## **B. Shoreline features**

1. Franklin dock remains ..... Feature 1
2. Quincy smelter dock pilings ..... Feature 2
3. Water intake adit ..... Feature 3
4. Possible opening of original water intake adit ..... Feature 4
5. Boat house remains..... Feature 5
6. Coal Dock area..... Feature 6
7. Loading Dock..... Feature 7
8. Reverberatory Slag Trestle ..... Feature 8

# MAP **B** LOCATOR KEY

## **A. Currently standing structures**

1. Reverberatory Furnace Building, No. 3 Furnace & 300 h.p. Boiler, No. 5 Furnace Building & the By-Pass Smoke Stack ..... Feature 1
2. Cupola Furnace Building ..... Feature 2
3. Engine Room..... Feature 3
4. Blacksmith Shop..... Feature 4
5. Dock Side Warehouse ..... Feature 5
6. Assay Office..... Feature 6
7. Charcoal House..... Feature 7
8. Carpenter Shop..... Feature 8
9. Parts & Supplies Storage Barn ..... Feature 9
10. Maintenance Barns & Garage ..... Feature 10 (x3)
11. Main Office Building ..... Feature 11
12. Iron House & Time Office ..... Feature 12 (x2)
13. Oil House..... Feature 13
14. Ice House..... Feature 14
15. Railroad Storage Shed (collapsed)..... Feature 15
16. Mineral Building ..... Feature 16
17. Cook Boiler House ..... Feature 17
18. Briquetting Building & Crushing Plant ..... Feature 18
19. Limestone Bins ..... Feature 19
20. Pump Room ..... Feature 20
21. Machine Shop ..... Feature 21
22. Scale Houses ..... Feature 22 (x3)
23. Lumber Shed ..... Feature 23
24. Casting Shed ..... Feature 24
25. Badenhausem Boiler House ..... Feature 25
26. Steel Trestles & Tramway Remnants ..... see Map A for detail
27. Steam Locomotives No. 29 & No. 175 ..... Feature 27
28. Pump House ..... Feature 28

## **B. Ephemeral historic structures & areas of sub surface archeological sensitivity**

1. Mould Shed ..... Feature A (x2)
2. Coal Dock ..... Feature B
3. Sand House ..... Feature C
4. Cooper, Cooper Stock & Carpenter Shops Original Locations ..... Feature D
5. Slag Shed..... Feature E
6. Water Pumping Adits ..... Feature F (x2)
7. Clay Shed ..... Feature G
8. Tram Lines & Covered Gangways ..... Feature H (x2)
9. Unknown Structures ..... Feature I
