Julie Bowers, Executive Director  
North Skunk River Greenbelt Association  
Grinnell, Iowa 50112

Dear Ms. Bowers:

The Poweshiek County Conservation Board authorizes the North Skunk River Greenbelt Association (NSRGA) to continue with the restoration of the McIntyre Bridge Project which is located on a County Conservation Board area known as Millgrove Access Wildlife Area.

The Conservation Board has given the NSRGA their consent to apply for additional grants to help with armoring the stream bank to protect the bridge piers and for the restoration of the bridge.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mark Vavroch".
