Research and Teaching Interests

Modern and contemporary architectural history and theory, company towns and worker villages, industrial heritage, industrial archaeology, adaptive reuse of industrial architecture, and sustainable reuse.

Education

- 2008 **Ph.D.** in Architecture and Urban Planning, University of São Paulo, Brazil
Dissertation: "Usinas de açúcar: habitação e patrimônio industrial [Sugar company towns: Residential provision and industrial heritage]."
Supervisor: Prof. Dr. Carlos Roberto Monteiro de Andrade
- 2003 **Master** of Architecture and Urban Planning, University of São Paulo, Brazil
Master's thesis: "Brazilian industrial and agricultural settlements in the 20th century."
Supervisor: Prof. Dr. Telma de Barros Correia
- 1999 **Bachelor/Professional Degree in Architecture and Urban Planning**, Department of Architecture and Urbanism, University of São Paulo, São Carlos, Brazil
Thesis: "The adaptive reuse of industrial buildings."
- 1994 **Technician in Constructions**, São Paulo State Technical School, Americana, Brazil.

Special Courses

- 1997 "Barcelona: From Gaudí to the Olympics." Study abroad program at the Escuela Técnica Superior de Arquitectura de Barcelona, University Polytechnic of Cataluña, Barcelona, Spain. (50 hours)

Architecture Registration

- 1999 São Paulo State, Brazil, # 5061116764.

Academic Appointment

- 2010-present Fellow, Center for Heritage Conservation (CHC), Texas A&M University.
- 2008-present Assistant Professor, Department of Architecture, Texas A&M University.
- 2007-2008 Visiting Assistant Professor, Department of Architecture, Texas A&M University.
- 2005-2005 Visiting Assistant Professor, School of Architecture, University of Illinois at Urbana-Champaign.
- 2001-2002 Teaching Assistant, PAE (Teaching Improvement Program), Department of Architecture and Urban Planning, University of São Paulo, São Carlos, Brazil.

Professional Practice

- 2000-2008 **Architect consultant**, Mantovani-Mantovani Ltda, Santa Bárbara, SP, Brazil.
Participated in the design process for multiple projects including hospitals, schools, housing, mixed-use buildings, renovations, and urban infrastructure.
- 2000-2006 **Architect**, Gabriela Campagnol. Professional Practice. Santa Bárbara, SP, Brazil.
Designed and built residential and mixed-use buildings; worked on interior design, adaptive reuse, and building renovation.

Awards and Honors

- 2005 **Honorable Mention for publication** of the book *Assentamentos agroindustriais* [Industrial and agricultural settlements]. 7th Annual National Young Architects Awards sponsored by the Institute of Architects of Brazil and Museu da Casa Brasileira [Brazilian House Museum], São Paulo, Brazil.

Research

Grants, Fellowships & Funded Projects

External

- 2012 **Conference Travel Grant**: Financial support to attend the the International Conference Company Towns in a Global Perspective, University of Padua, Padua, Italy, October 3-5. Funded by Cariparo Foundation/University of Padua, Italy.
- 2012 **Senior Research/ Collaborator**. *Virtual Atlas and online database Company Towns in the World*. Funded by Cariparo Foundation/University of Padua as part of the international and interdisciplinary research project “Company Towns in the World: Origin, evolution and rehabilitation (16th-20th centuries), ” which received a total funding of 150,000 Euros and was carried out from 2006 to 2012. (US\$2,715).
- 2008 **Conference Travel Grant**: Financial support to attend the Jornadas internacionales de patrimônio industrial agroalimentario [Food industrial heritage conference: testimonies and intercultural dialogue], Gijon, Spain.
Funded by INCUNA, Industrial Archaeology Association, Gijon, Spain.
- 2003 **Book publication grant**: Competitive and peer-reviewed grant for publication of scholarly work/book *Assentamentos agroindustriais* [Industrial and agricultural settlements]. Funded by FAPESP (The State of São Paulo Research Foundation), São Paulo, Brazil. (R\$3,600/US\$2,000)
- 2003-2007 **Doctorate Fellowship (DR)**: Full financial support to pursue Ph.D. studies in Architecture and Urban Planning at the University of São Paulo. Research title: “Habitação em usinas de açúcar no Brasil: Origens, difusão e desmonte [Sugar company towns in Brazil: Origins, evolution and deactivation process].” Funded by FAPESP (The State of São Paulo Research Foundation), October 2003 – February 2007. (40 months total - R\$132,000/ US\$73,333)
Competitive and prestigious fellowship for graduate students developing research projects that will result in dissertations. Concession rate was 31% in 2005.
http://www.fapesp.br/arquivos/bolsas_2006-CS-portal.pdf
- 2003 **Doctorate Fellowship (DR)**: Financial support to pursue Ph.D. studies in Architecture and Urban Planning at the University of São Paulo. Funded by CAPES - Coordenação de Aperfeiçoamento de Pessoal de Nível Superior, Brazilian Ministry of Education, July 2003 - September 2003. (2 months total - R\$3,600/US\$2,000)
CAPES is the Brazilian federal agency for the support and evaluation of graduate education. I relinquished this fellowship in order to accept the more prestigious fellowship awarded by FAPESP.

- 2000-2002 **Master Fellowship (MS):** Financial support to pursue M.S. studies in Architecture and Urban Planning at the University of São Paulo. Research title: "Worker dwellings in São Paulo sugar company towns." Funded by FAPESP (The State of São Paulo Research Foundation), September 2000- October 2002. (24 months total - R\$40,200/US\$22,333)
Competitive and prestigious fellowship for graduate students developing research projects that will result in thesis. Concession rate was 24% in 2005.
http://www.fapesp.br/arquivos/bolsas_2006-CS-portal.pdf
- 2000 **Master Fellowship (MS)** Financial support to pursue M.S. studies in Architecture and Urban Planning at the University of São Paulo. Funded by CAPES, Brazilian Ministry of Education, April 2000-August 2000. (4 months total - R\$4,800/US\$2,666)
I relinquished this fellowship in order to accept the more prestigious fellowship awarded by FAPESP.
- 1998-1999 **Scientific Initiation Fellowship (IC):** "Adaptive reuse of industrial buildings," from the FAPESP, June 1998- December 1999. (6 months - R\$3,318/US\$1,843)
Competitive fellowship for undergraduates working in a research project.
- 1997-1998 **Scientific Initiation Fellowship (IC):** "Vilas operárias construídas por usinas e indústrias em Americana e Santa Bárbara d'Oeste: Levantamento e análise [Workers villages in Americana and Santa Bárbara-SP]," from the FAPESP, June 1997- May 1998. (12 months - R\$6,636/US\$3,686)

External Not Funded

- 2011 **Principal Investigator:** Travel costs associated with research on Iberian and Latin American Architecture.
Title: "Redefining the Space of Sugar Production: Memory, Reuse, and Industrial Architecture."
Sponsor: Edilia and François-Auguste de Montêquin Fellowship presented by the Society of Architectural Historians (US\$6,000)
The committee thought my application, in particular, was of a very high quality and was worthy of an honorable mention.

Internal (TAMU)

- 2010 **Principal Investigator:** International Research Travel Assistance Grant.
Title: "Reusing the Industrial Past: Heritage and Sustainability."
Sponsor: The International Programs Office, Texas A&M University. (US\$3,500)
- 2010-2011 **Principal Investigator:** Investigative Course Grant.
Title: "Sustenance through Heritage: Adaptive Reuse and the Aesthetic of Sustainability."
Sponsor: Melbern G. Glasscock Center for Humanities Research, Texas A&M University. (US\$1,500)
- 2010-2011 **Stipendiary Faculty Fellowship.**
Sponsor: Melbern G. Glasscock Center for Humanities Research, Texas A&M University. (US\$1,500)

Publications

Book

- Campagnol, G. *Assentamentos agroindustriais: O espaço da habitação em usinas de açúcar* [Industrial and agricultural settlements: Housing in sugar company towns]. São Carlos, Brazil: RiMa; FAPESP, 2004. (ISBN: 85-7656-027-1) (Portuguese)
This peer-reviewed book is the result of my master's thesis, which was published with a grant from the State of São Paulo Research Foundation (FAPESP); the following year it was awarded

honorable mention (critical essay) from the 7th Young Architect National Awards sponsored by the Institute of Architects of Brazil and Museu da Casa Brasileira [Brazilian House Museum].

Juried/Peer-reviewed Journal Article

Campagnol, G. "Industrial Archaeology and Brazilian Industrial Heritage." *Preservation Education & Research* 4 (2011): 1-18. (ISSN 1946-5904)

The PER Journal, published by the National Council for Preservation Education, publishes articles on developments and innovations in preservation with the aim of exchange and dissemination of information and ideas concerning preservation education.

The National Council for Preservation Education publishes the Preservation Education & Research (PER) journal. The mission of this peer-reviewed journal is to exchange and disseminate information concerning preservation education and research.

Campagnol, G. "Usinas de açúcar: Formação e transformação de seu espaço [Sugar company towns: Origins and transformation]," *Arqueologia industrial* (Journal of the Portuguese Association for Industrial Heritage), Vila Nova de Famalicão, Portugal, v. IV (1-2 2008): 73-96. (Text in Portuguese; abstracts in English and French)

The Arqueologia Industrial is the only journal in Portuguese language devoted specifically to the subject, and aims to promote and disseminate researches in the field of archeology, museology and industrial heritage through papers written by researchers who have noted in these areas.

The journal, founded in 1987, is published by the Portuguese section of TICCIH (The International Committee for the Conservation of the Industrial Heritage)

Caffey, S. and G. Campagnol. "Dis/Solutions: Lina Bo Bardi's Museological and Museographical Interventions at the Museu de Arte de São Paulo". *Journal of Conservation and Museum Studies*. (under revision)

In preparation

Campagnol, G. "Company Towns of Sugar." To be published on the volume *Comunità del lavoro: Città e villaggi operai nel mondo* (Marsilio Editore), peer-reviewed publication that is part of the International Research Project Company Towns in the World, University of Padua, Italy. (2013)

Campagnol, G. & M. Shepley. "Positive Distraction and the Rehabilitation Hospitals of João Filgueiras Lima." *HERD-Health Environments Research & Design Journal*. (2013).

Campagnol, G. "Industrial Heritage and the case of the Engenho Central de Piracicaba, Piracicaba, Brazil" (to presented in the *Arquimemoria*, Salvador, Brazil, 2013).

Lectures and Presentations

Invited Presentations

Campagnol, G. "Reuse of Industrial Heritage in Brazil: Redefining the Space of Sugar Production." Work-in-progress presented at the Melburn G. Glasscock Center for Humanities Research Faculty Colloquium, Texas A&M University, November 9, 2011.

Campagnol, G. "Baroque Architecture in Brazil." Lecture presented at the Centro Universitário de Rio Preto, S.José do Rio Preto, SP, Brazil, April 12, 2006.

Campagnol, G. "Uma introdução ao debate internacional e nacional sobre o patrimônio industrial [The international and national debate on the industrial heritage: An introduction]." Lecture presented at the Workshop mapeamento do patrimônio industrial em São Paulo [Mapping the industrial heritage in São Paulo], Fundação escola de sociologia e política de São Paulo, São Paulo, Brazil, November 18, 2005.

Campagnol, G. "O TICCIH e o patrimônio industrial no Brasil [The industrial heritage in Brazil]." Lecture presented at the Garantindo a permanência da memória: Teorias e práticas do restauro [Workshop on theory and restoration practice]. Associação Pró Casa do Pinhal, University of S. Paulo, São Carlos, Brazil, September 10, 2004.

Campagnol, G. "Outra forma de planejamento: Vilas operárias e núcleos fabris no Brasil [Worker villages and company towns in Brazil]." Lecture presented at the School of Architecture and Urban Planning, UNIARA- Centro Universitário de Araraquara, Araraquara, SP, Brazil, November 17, 2003.

Campagnol, G. "Modo de vida e arquitetura das usinas de Santa Bárbara [Architecture and life in Santa Bárbara's sugar company towns]. Public lecture presented at the Colóquio sobre a Cidade [Colloquium about the city], City hall of Santa Bárbara d'Oeste and Museum of Immigration, Santa Bárbara, SP, Brazil, August 13, 2003.

Juried Conference Presentations

Campagnol, G. "Lina Bo Bardi's Industrial Archaeology." Paper presented at the SESA 2012 The 30th meeting of the Southeast Society of Architectural Historians, Athens, GA, October 17-20, 2012.

Campagnol, G. "Company Towns of Sugar." Paper presented at the International Conference Company Towns in a Global Perspective, University of Padua, Padua, Italy, October 3-5, 2012.

Campagnol, G. "Redefinindo o Espaço do Açúcar: Patrimônio, Reutilização e Arquitetura Industrial [Redefining the Space of Sugar Production: Heritage, Reuse, and Industrial Architecture]." Paper presented at the VI Colóquio Latino-Americano sobre Recuperação e Preservação do Patrimônio Industrial [Latin American Colloquium on Industrial Heritage]. Centro Universitário Belas Artes, São Paulo, Brazil, June 03-06, 2012.

Campagnol, G. and S. Caffey. "Pepper the Walls with Bullets: Lina Bo Bardi's Museu de Arte de São Paulo." Paper presented at the Creating-Making Forum, University of Oklahoma, Norman, OK, November 3-5, 2010.

Campagnol, G. "Bitter/Sweet: Case Studies in Transformation of Sugar Space in Brazil." Paper presented at the Reusing the Industrial Past, first joint conference organized by The International Committee for the History of

Technology History (ICOHTEC) and The International Committee for the Conservation of the Industrial Heritage (TICCIH), Tampere, Finland, August 10-15, 2010

- Campagnol, G. "Asentamientos azucareros en Brasil: Metodología de investigación [Sugar settlements in Brazil: Research methodology]." Paper presented at the II encuentro internacional patrimonio industrial agroalimentario [International meeting on the conservation of the agro-industrial heritage], Córdoba, Argentina, November 4-7, 2009.
- Campagnol, G. "O espaço nas vilas do açúcar [Space in sugar villages]." Paper presented at the II encontro nacional sobre o patrimônio industrial [National meeting on industrial heritage], Centro Universitário Belas Artes de São Paulo, São Paulo, Brazil, June 17-20, 2009.
- Campagnol, G. "Ingenios de azúcar, sus poblados y el patrimonio industrial [Sugar company towns and industrial heritage]." Paper presented at the Jornadas internacionales de patrimônio industrial agroalimentario [Food industrial heritage conference: testimonies and intercultural dialogue], Gijon, Spain, October 1-4, 2008.
The committee highlighted my presentation in its bulletin: "an important section of the day was devoted to the landscapes of sugar, which Gabriela Campagnol, assistant professor, department of architecture, Texas A&M University A & M, presented a paper on the villages and towns associated with the sugar in Brazil."
- Campagnol, G. "Açúcar e território: Resgatando o patrimônio industrial no Brasil [Sugar, territory, and industrial heritage in Brazil]." Paper presented at the Congreso internacional puesta en valor del patrimonio industrial [TICCIH Latin America Conference], Santiago, Chile, March 21-23, 2006.
- Campagnol, G. "Núcleos fabris e patrimônio açucareiro em São Paulo, Brasil: Contribuições na produção do espaço urbano e regional [Company towns and sugar heritage in São Paulo]." Paper presented at the IV jornadas interdisciplinarias de estudios agrarios y agroindustriales [Interdisciplinary conference on agrarian and agro-industrial studies], University of de Buenos Aires, Buenos Aires, Argentina, November 10, 2005.
- Campagnol, G. "O espaço da habitação em usinas de açúcar [Housing and architecture in sugar company towns]." Paper presented at the symposium A organização do território pelo capital: O caso das vilas e núcleos gerados por empresas [The organization of the territory by the capital: The company towns and worker villages], FAU-USP, São Paulo, Brazil, September 3, 2004.
- Campagnol, G. "Núcleos fabriles azucareros en São Paulo, Brasil: Proceso de desmonte y rescate de un patrimonio industrial [Sugar company towns in São Paulo: Deactivation process and industrial heritage]." Paper presented at the IV coloquio internacional de conservación y rescate del patrimonio industrial [International conference on the conservation of the industrial heritage], Lima, Peru, July 12-16, 2004.
- Campagnol, G. "Assentamientos agroindustriales [Brazilian industrial and agricultural settlements]." Paper presented at the VI Conference on the Conservation of Historic Centers and Congress of Historic Cities, University of Camagüey, Camagüey, Cuba, October 6-9, 2003.
- Campagnol, G. "Moradia operária nos anos quarenta: A vila da usina São João [Worker housing in the 1940s: Usina São João case study]." Paper presented at the VI seminário de história da cidade e do urbanismo [Seminar on the history of the city and urbanism], UFRN, Natal, Brazil, October 2000.

Juried Poster Sessions

- Campagnol, G. "A moradia do trabalhador canavieiro: Das senzalas às usinas [Worker dwellings: From senzalas to company towns]." Poster presented at the VIII seminário de história da cidade e do urbanismo [Seminar on the history of the city and urbanism], UFF, Niterói, Brazil, November 10-12, 2004.
- Campagnol, G. "Núcleos fabris açucareiros e arquitetura moderna [Modern architecture in sugar company towns]." Poster presented at the V DOCOMOMO Brazil, Viçosa and Cataguases, Brazil, October 31- November 2, 2001.
- Campagnol, G. "Usina Santa Bárbara: A reutilização de edifícios industriais [Santa Bárbara sugar company and the adaptive reuse of industrial buildings]." Poster presented at the 51st SBPC [Annual meeting of the Brazilian Society for the Progress of Science], PUC, Porto Alegre, Brazil, July 11-16, 1999.
- Campagnol, G. "Indústria e habitação: O caso da vila Romi [Worker villages: Vila Romi case study]." Poster presented at the 50th SBPC [Annual meeting of the Brazilian society for the Progress of Science], UFRN, Natal, Brazil, July 12-17, 1998.
- Campagnol, G. "Indústria e habitação: O caso da vila usina Sta. Bárbara [Industry and housing: The case study of Sta. Bárbara sugar company]." Poster presented at the 6th SICUSP [Symposium for scientific initiation of the University of São Paulo], USP, São Paulo, Brazil, October 29, 1998.

The History of Art, Architecture, and Visual Culture Working Group promotes collaboration and cooperation among faculty and students in fields such as anthropology, archaeology, architecture, arts education, gender studies, history, and visual studies. The working group serves as a forum for the discussion of current research, as a means to share ideas and receive feedback from participants, and to develop opportunities to engage students. (Convener: Nancy Klein, architecture)

Service at Texas A&M University

University level

- 2009-present **Disability Service Faculty Advisory Board**, member representing the College of Architecture.
 2010-2012 **Avant Garde Skate Team**, primary advisor for the student organization.
The organization aims to provide an environment that is supportive of competitive and recreational longboarding, while stimulating the members drive to improve their skills to better represent Texas A&M in nationwide competitions.
