Dear Sir or Madam:

Please find enclosed one original application for Society for an Industrial Archeology sponsored Industrial Heritage Preservation Grant. This application is requesting \$1,200 to fund the purchase of archival supplies to properly preserve an estimated 600 glass plate photographic negatives. These negatives are part of a very large collection of Illinois Central Rail Road documents recently received in 140 banker boxes. Lake States Railway Historical Association. LSRHA is a not-for-profit organization that will start cataloging this collection in June, 2013. This project has a total budget of \$15,963 of which \$3,700 is funded from other sources.

Please be aware that the earthlink.org website cannot handle more than 3 attachments and cannot transmit more than 10 megabytes in a single transmission. Therefore, the grant submission will come in several e-mail notes.

We look forward to learning of your interests in this project.

Sincerely,

Byron H. Long, Ph.D.
 Ex gratia Development Coordinator
 Lake States Railway Historical Association
