EDUCATION:

Hope College, Holland Michigan, Teacher Certification (1995)

M.A. in Architecture with distinction, University of Michigan, Taubman College of Architecture and Urban Planning, Ann Arbor, Michigan (1992)

B.A. in Architecture, University of Michigan, Taubman College of Architecture and Urban Planning, Ann Arbor, Michigan (1988)

PRESENT EMPLOYMENT:

Historical Architect, Keweenaw National Historical Park

2000 - Present

Responsibilities involve: promoting preservation and protection of the historic architectural resources relating to the copper mining history of Michigan's Keweenaw Peninsula; overseeing rehabilitation of the park's historic structures and mine ruin sites; providing technical and design assistance to park partners, including heritage sites, local units of governments, and private property owners; and serving as architectural advisor to the Calumet Village Historic District Commission where recent efforts have focused on stabilization of threatened buildings in Calumet's Civic and Commercial District.
